# Destination In Love Photography

I love shooting people In Love....

Whether you're planning a Destination Elopement in Italy, an Engagement Shoot at Lake Tahoe, or have been married for 20 years and want some romantic portraits from your Anniversary trip to Big Sur, I want to capture the essence and spirit of your love.

Destination In Love Shoots, Elopements, Engagements, Local In Love Shoots

## Destination In Love Shoot - \$2500

These are very special and some of my favorite shoots to share with people. With Destination In Love Shoots I will work with you and help brainstorm ideas for location, timing and an entire experience that makes your dreams come true. These shoots are much more than just getting some beautiful portraits, I want to capture the essence of your love, which includes a photojournalistic approach to capture those real candid moments that could never be posed, in addition to stunning romantic portraits. Shoots usually last about 3-5 hours and typically yield 150-250 finished images.

All packages include:

- ~ Digital Images & Online Viewing Gallery
- ~ Creative brainstorming
- ~ Custom quotes available for long days or multi day shoots
- ~ Travel within the Sierra Nevada or within 5 hours of Nevada City. Worldwide quotes available.
